Saturday, 12 May 2007

Gentlemen,

I wish to thank you all for the recent Para course that you attended on Texel. The Initiative, willingness and sheer hard work that you all put into the course made this the best course I have ever run and that is out of some 72 courses involving over 3000 students in the past 12 years with the Association.

The course did have it's highlights such as your competition to see who could pop the most t10 reserves, Sean's swimming and subsequent injuries (we all wish him a speedy recovery) Tom's standing, waving an inflated canopy holding a lit cigarette (my fault, I forgot to tell you all that a lit cigarette and nylon canopy's do not make good bed companions) Kaisers antics on the emergency drills, Chris's presenting of the water wings, Paul & Mikes Flypast and Mick Wilde's 6 PLF's in quick succession on his down wind landing all led to a most enjoyable and memorable course.

Included with this letter are the DVD and Jpeg Photo CD's. This year if you wish to make a contribution for them send a cheque made payable to ABMP for whatever you wish.

For those interested, a follow on course for the Estonian wings is planned for 8th. September. This includes low level jumping. Kaiser is booked on the 1st June Estonian course so he can tell you all about it when he gets back.

Once again Gentlemen, my heartfelt congratulations

Graeme
